My passion is wedding photography and being the 'storyteller.' Your wedding day is one of the most important days of your life. I will tell your wedding day story with my photos, capturing and preserving your love, joy, and treasured memories on your special day.

I enjoy the gift that God blessed me of capturing important events in pictures and making them available to you. I photograph weddings, reunions, anniversary celebrations, family & senior portraits, and special occasions at a reasonable cost. After your wedding day is over, your wedding albums will preserve the memory of that happy occasion forever.
